

LUX HEAVY DUTY UPRIGHT

THE VALUE OF A CLEAN FLOOR

Trust the quality and durability of the Lux Heavy Duty Upright by Aerus to clean away dust, dirt, allergens and other harmful contaminants trapped in carpets and on hard surface floors. Aerus, the first name in quality home care products, offers the first choice in professional floor care equipment, the Lux Heavy Duty Upright. The Lux Heavy Duty Upright tackles the toughest cleaning jobs. Lightweight and easy to use, its heavy-duty construction provides faster and better cleaning, with much less effort.

ADDED QUALITY

Redefined vents for greater airflow reduces motor temperature and adds to the life of the motor. Unbelievable 90 lb of Water Lift (suction) at the end of the hose. Larger debris opening to stop dirt from clogging.

BUILT-IN MOTOR PROTECTION

Extruded, non-marring bumper is easily replaced. A built in thermo coupler protects the motor by shutting it down if it overheats.

EXCLUSIVE HTD SYSTEM

Designed with Aerus' exclusive patented High Torque Drive (HTD) system for smoother, quieter brush-roll operation. Built-in circuit breaker; automatic shut off of brushroll motor so you cannot damage motor.

GREATER CONVENIENCE

A 25-foot, 3 wire grounded, heavy duty cord features greater flexibility and high visibility. The cord can be replaced without disassembly of the unit.

MORE VERSATILITY

Powerful 2-motor system can handle carpet and bare floors with equal efficiency. 3-way switch turns on both motors or suction motor only.

EXTRA LONG LIFE

Heavy duty carbon brushes provide extended motor life. Long lasting geared drive belt.

NO WORRIES

A 1-Year Limited Warranty is offered on Lux Heavy Duty Upright Vacuums.

Superior Cleaning with L-Shape Design

The unique L-shape designed power nozzle provides front, side and rear cleaning around table and chair legs and an extra wide 15" cleaning path covers more area for faster cleaning.

Heavy Duty Construction

Frequently used components like hinges and covers include additional design features to prevent breakage and extend useful life.

Designed For Durability

A reinforced power nozzle, bag housing and ergonomic handle provide added durability and an extra long life.

Cleaner Air

Airborne contaminants are captured by an optional HEPA filter to remove 99.97% of allergy and asthma causing particles, as small as 0.3 micron, from the air

Dimensions	47" H x 16" W x 12" D (119.4 cm x 40.6 cm x 30.5 cm)
Cord Length	25 ft. (7.6 m)
Filter Bag Capacity	2.5 US qts
Warranty	1 year limited on vacuum Motors and belt are warranted for a 2 year period from date of purchase

EA change 2.5 US qt. Filter Bag

3-way switch turns on both motors or suction motor only

Convenience of Carry Handle

Large cord wraps; accommodates up to a 50 ft. cord

EZ change HEPA Filter

Optional Accessory Package Available

Stretchable Attachment Hose
– Dependable screw-in fit so hose locks in without fail; hose stretches from 3 feet to 6 feet.

Combination Dusting/Upholstery Tool – The soft bristles protect furniture and delicate surfaces, while adjustable wings allow for improved cleaning of upholstery or fabrics.

Wand – One wand provides longer reach for the taller jobs, such as ceiling fans.

Crevice Tool – Perfect for narrow, hard-to-reach areas such as bookshelves and between couch cushions.

The First Name in Healthy Homes®

From 1924 through the turn of the century, we were Electrolux, the clear leader in home cleaning throughout North America. Now, we're Aerus, a new name for a new generation of products and services designed to help make your home a Healthy Home. All backed by performance so legendary, over 99.8% of our customers recommend Aerus to their friends and family.

Aerus. Your Original Manufacturer & Authorized Provider of Parts & Services for all 1924-2003 Electrolux Vacuums.
